MEZZANA FONT PERSONAL USE LICENSE

Mezzana is a font inspired on the lettering used by
Corrado Mezzana (1890-1952) in his works.
Mezzana was an italian artist who projected a lot of stamps
and attestations of award between the 30's and the 50's.
The font is also based on Paul Renner's *Futura* (1933)
 and Alessandro Butti and Aldo Novarese's *Semplicità*
(1930).

Mezzana Font is free for personal use.
For commercial use mail me.
